### Message From The Headteacher

Despite the cold and wet weather, the children continue to talk enthusiastically about their learning this week. I enjoy seeing the children's work and seeing how proud they are of their achievements. The Spring Term is always an important term where we continue to forge ahead with the children's learning, and we see them make even more progress. We value the partnership between home and school so please do make an appointment to see your child's teacher for the forthcoming consultation meetings.

#### HARLOW SCHOOLS INDOOR ATHLETICS

Harlow Schools Year 5/6 Indoor Athletics took place today, featuring a fantastic range of track and field events, including obstacle races, sprints, throws and jumps.

The competition was exciting and closely contested, with pupils showing great determination, enthusiasm and sportsmanship throughout the event. It was an enjoyable morning and a great opportunity for everyone to take part and challenge themselves. Well done to all competitors!

#### BROMCOM

All parents have now received access to our new management information system, BromCom which parents can access through the parent App – My Child at School. The login link only lasts for 24 hours so please log on as soon as possible. If your link has expired, please contact the school office. This system will eventually be used for all communications to parents, including weekly newsletters, attendance and school reports. At a later date, you will also be able to make trip payments, book breakfast club and order school meals. We will advise you when these elements are active.

If you have any questions regarding the new system, please speak to a member of the school office.

## HEALTH & SAFETY

Please remember that our main doors are closed at 8.55am, after which your child will be marked as late to school. Parents are then required to accompany them into the building and sign the register. This will ensure that the children are marked correctly in the registers and prevent absence messages being sent.

## LUNCHES

May I remind all parents that school lunches should be ordered at home, in advance. If your child is absent from school, you will need to cancel their meal, otherwise this will be charged. If you are unable to access the School Grid system, please speak to a member of the school office team.

Please have a happy, restful and safe weekend.

Best Wishes
